Blackboard is our Learning Management System – where your student “goes to school” each day. You can find out how well your student is progressing in each course by signing into Blackboard and access the **Parent Dashboard**.

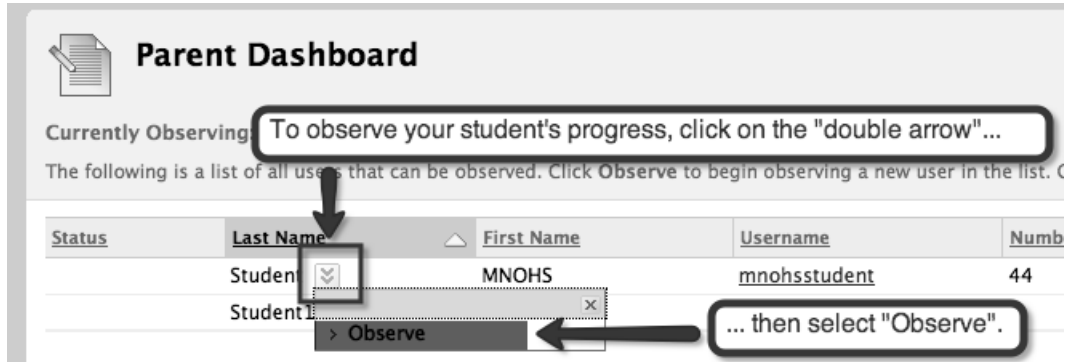

Step 1: Go to the “Login” page at www.mnohs.org and scroll down to the “Parent / Guardian Login Areas”.

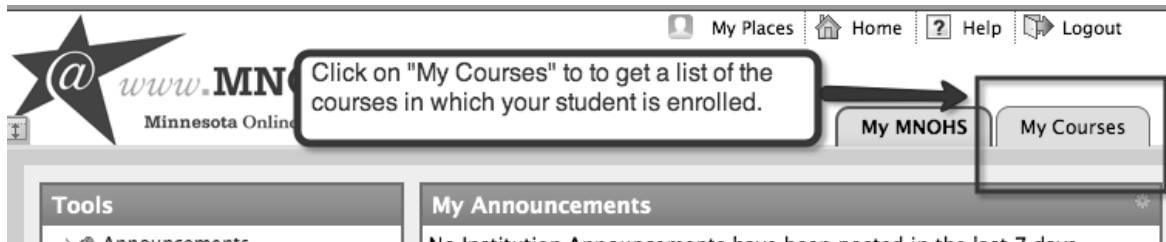

Step 2: Once you've logged into Blackboard, click on “Parent Dashboard”:

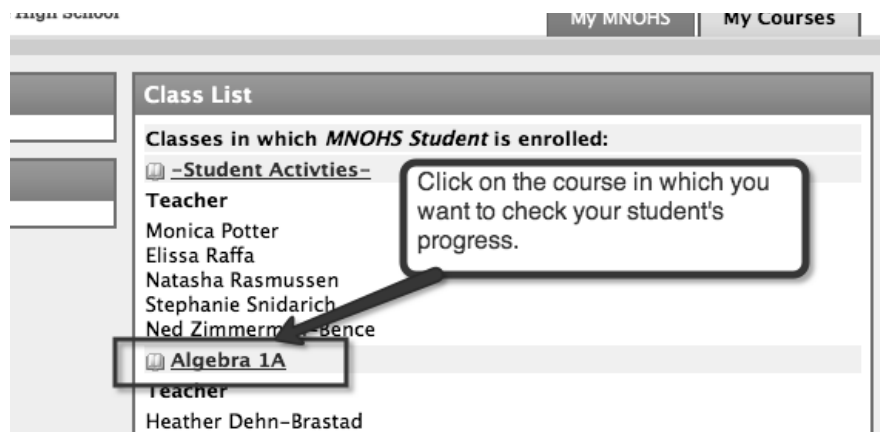

Step 3: Select the student you want to observe, then click "Observe".

Step 4: Click on "My Courses":

Step 5: Click on the a course you want to observe:

Step 6: Click on "My Progress" to see what your student has submitted and her or his progress:
